

APPLICATION TO JOIN PITTWATER ARTISTS TRAIL 2018 - 2019
Closing date 30th March 2018.

Dear Prospective Trailer,

Before you gather together everything needed for the application please download and read the PAT charter so that you understand how the Trail runs and agree to the roles and responsibilities all members share.

Now that the Councils have merged we are accepting applications from people within the Northern Beaches Council area, however all the participating studios are still within Pittwater. If you are from further afield, we will try to match you up with a Pittwater open studio. Hopefully you have already visited an open weekend and are familiar with some of the other artists.
